On the date of your vaccinations, you must bring a photo copy of your insurance card as well as a photo copy of your driver's license to receive your vaccinations at no charge.

If you received vaccinations from us last year and do not have a copy of your records, please email us at info@northtexasflushots.com. In the email you will need to include your name, date of birth and your insurance ID number. Please do this at least a week before your scheduled flu clinic to ensure we have ample time send you your records.

Please note that depending on insurance carrier, claims may be filed as North Texas Flu Shots, Staying Healthy Medical Services or Community Health Immunizations.

Thank you!
